# Galaxy TabPro S

## Finally, a tablet designed for today's business.

Achieve more in your working day with the Galaxy TabPro S.

It's the 2in1 tablet that's ready to do business the way you want to. It gives you the tools to work on your terms. It fuses the business performance you need from a laptop with the ease-of-use you want from a tablet.

## It's Pro Performance

Demand the best for your business. The Intel Core M processor means the TabPro S is ready to get down to serious business. With rapid charging, long battery life, speedy data transfer and Windows 10 Pro out of the box, you can ensure you're ready for every eventuality.

## It's Pro Business

The Galaxy TabPro S is truly professional. With security from Windows and an optional C-type pen for quick note taking, it's more than a 2in1 tablet. It's the confidence that you can access your information whenever you need to.

## It's Pro Anywhere

The Galaxy TabPro S works wherever your work takes you. It features a full-sized detachable keyboard cover and 12" sAMOLED screen, so you can connect to your business wherever you are.
